RS PRO Red Female Terminal Reel 22-26 AWG

RS Stock No.: 0778347

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Female insulated terminals on tape are designed for fast, reliable wire connections in automated or high-volume assembly. The insulated housing provides maximum electrical protection and strain relief, while the taped format ensures smooth feeding and precise placement during crimping. Ideal for secure, vibration-resistant connections in automotive, appliance, and industrial applications.
