

STANLEY

STANLEY 24" Line Toolbox

1-79-218

Features:

- One hand operation latch allows opening when other hand is occupied
- Innovative design – robust structure; large storage volume
- Extra wide soft grip handle on top for easy lifting
- Removable tray allows enough space for larger tools to be stored underneath
- Organisers in lid for small part organisation

Description:

The STANLEY 24" Line Toolbox has been built with a robust design, it has a large storage capacity. The ergonomic soft grip wide handle makes lifting the box easier and more comfortable. The one hand operation latch allows opening when the other hand is occupied. The portable tote tray can be placed within the storage unit for smaller accessories. The two top lid organisers can be used to conveniently store small components and accessories.
