Master Lock

OUR TOUGHEST LOCK YET

MEET THE MASTER LOCK ELITE™ PADLOCK

As the authority in padlocks for over a century and the most trusted brand by professionals, Master Lock continues to drive how people secure property and manage access.

Master Lock Elite padlocks feature a new, intuitive design engineered for maximum security, longevity and ease of use. With new CutGuard™ Technology, enhanced severe weather protection and a 5-pin cylinder, Master Lock Elite delivers the next-level security your customers expect.

CUTGUARD™ TECHNOLOGY

Anti-rotation shackle offers 2x protection from bolt cutters, remaining securely in place against attacks.

MAXIMUM SECURITY 5-PIN CYLINDER

Engineered for maximum security against pick attempts and unauthorized access.

CORROSION-RESISTANT MATERIALS

Aluminum-coated lock body and nickel plated shackle provide the best weather and corrosion protection.

REENGINEERED FROM THE GROUND UP

Rooted in consumer insights and built on the strength of the Excell line, the Master Lock Elite series introduces meaningful innovations to expand your assortment and drive sales with the features customers are looking for.

DUAL BALL-BEARING LOCKING MECHANISM

INTEGRATED RUBBER BUMPER

IMPROVED KEYWAY DESIGN

KEYED ALIKE CONVENIENCE

RESEARCH-BASED, CUSTOMER-DRIVEN UPDATES
