RS PRO 5 Pole Twist Lock DIN Plug 100 Vac/ 2A

RS Stock No.: 786-3445

RS PRO is the own brand of RS, offering professional quality products and solutions across all industries and technologies. Our product range is rigorously tested, inspected, and audited against demanding international standards to provide you with industrial-grade quality, at the right price. Making RS PRO your smart choice.

Product Description

A 5 pin DIN plug designed for tight wire connections without the need for specialist tools. Simply strip the cables, insert fully into the housing and screw down the wires to the receptacles. Turn the lockring to twist-lock and secure the two halves of the connector.
