

Features

- Height Adjustable
- Available in different sizes

RS PRO Stool

RS Stock No.: 0687586

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

RS PRO Stool is an excellent choice for environments where comfort, durability, and ease of maintenance are essential. Designed with high-quality materials, it combines ergonomic support with long-lasting performance, making it ideal for demanding work conditions.

Product Features:

- ✓ **Soft seat upholstered with durable fabric** – provides comfort during extended use and allows easy height adjustment for optimal support
- ✓ **Safety-First Design** – For maximum safety, the tallest model is equipped with glides instead of castors
- ✓ **Durable five-star chrome-plated steel base** – ensures stability and long-term resistance to intensive use
- ✓ **Resilient, easy-to-clean upholstery** – the high-quality fabric resists wear and stains, maintaining both appearance and function

A practical solution for production, technical, and service environments that require robust construction and everyday comfort. Well-suited for industries such as general manufacturing, automotive, maintenance, and technical services.
