

Example image

APPLICATION PURPOSES

- For chemicals and technical liquids
- For industrial gases (e.g. acetylene, shielding gases)

CHARACTERISTICS

- Silicone-free (LABS-free)
- Protective tube for welding
- Protective tube made of steel 1.0039, coated

TECHNICAL DATA

Product material                      CrNiMo steel 1.4401 (EN 10088)

| Art. no. | DN | d, ø<br>mm | D<br>cm | L<br>cm | l<br>cm |
