RS PRO Safety Knife with Straight Blade, Retractable

RS Stock No.: 0286460

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Premium Auto-Retract Squeeze Safety Knife has a pressure-sensitive blade that automatically retracts once disengaged from the cutting surface. It also has a metal body with a slip-resistant bi-material grip for durability and control. Easy trigger squeeze technology exposes the blade and helps reduce user strain.

Plus, with a blade lock to help prevent accidental blade exposure, this is a great cutting solution for corrugate and tape.

General Specifications

Knife Type	Automatic
Blade Type	Straight
Number of Blade Segments	1
Number of Blade supply	1
