Vishay ESTA Power Capacitors

Applications - Renewable and Sustainability Solutions

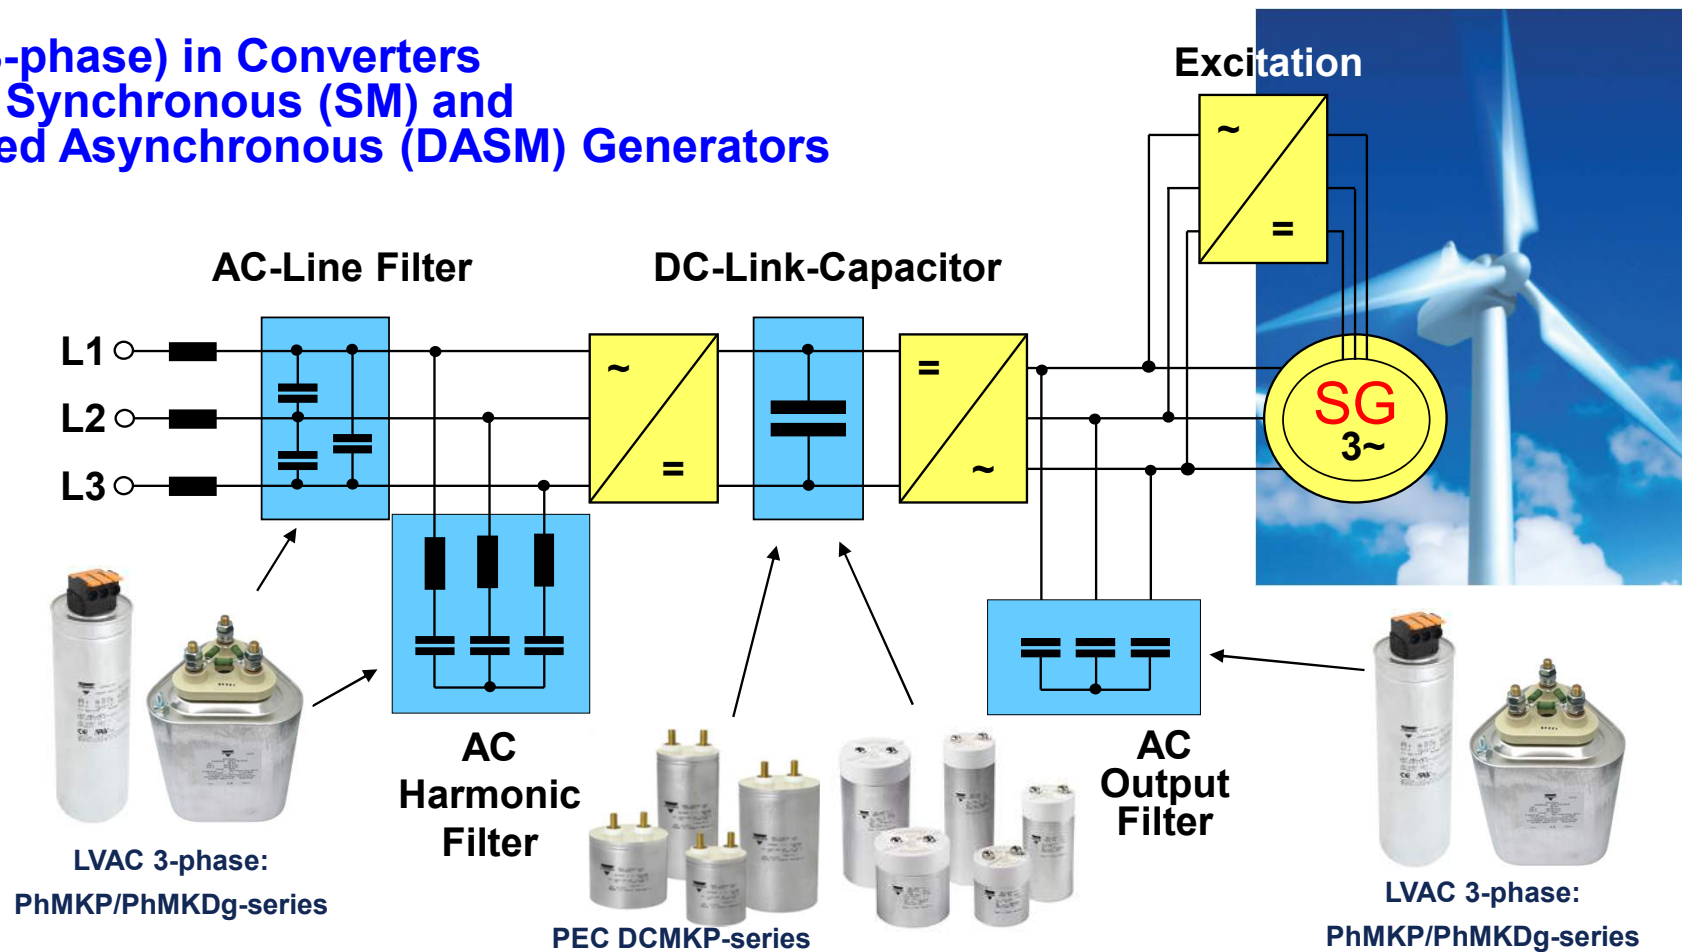

Application: Power Factor Correction (PFC)

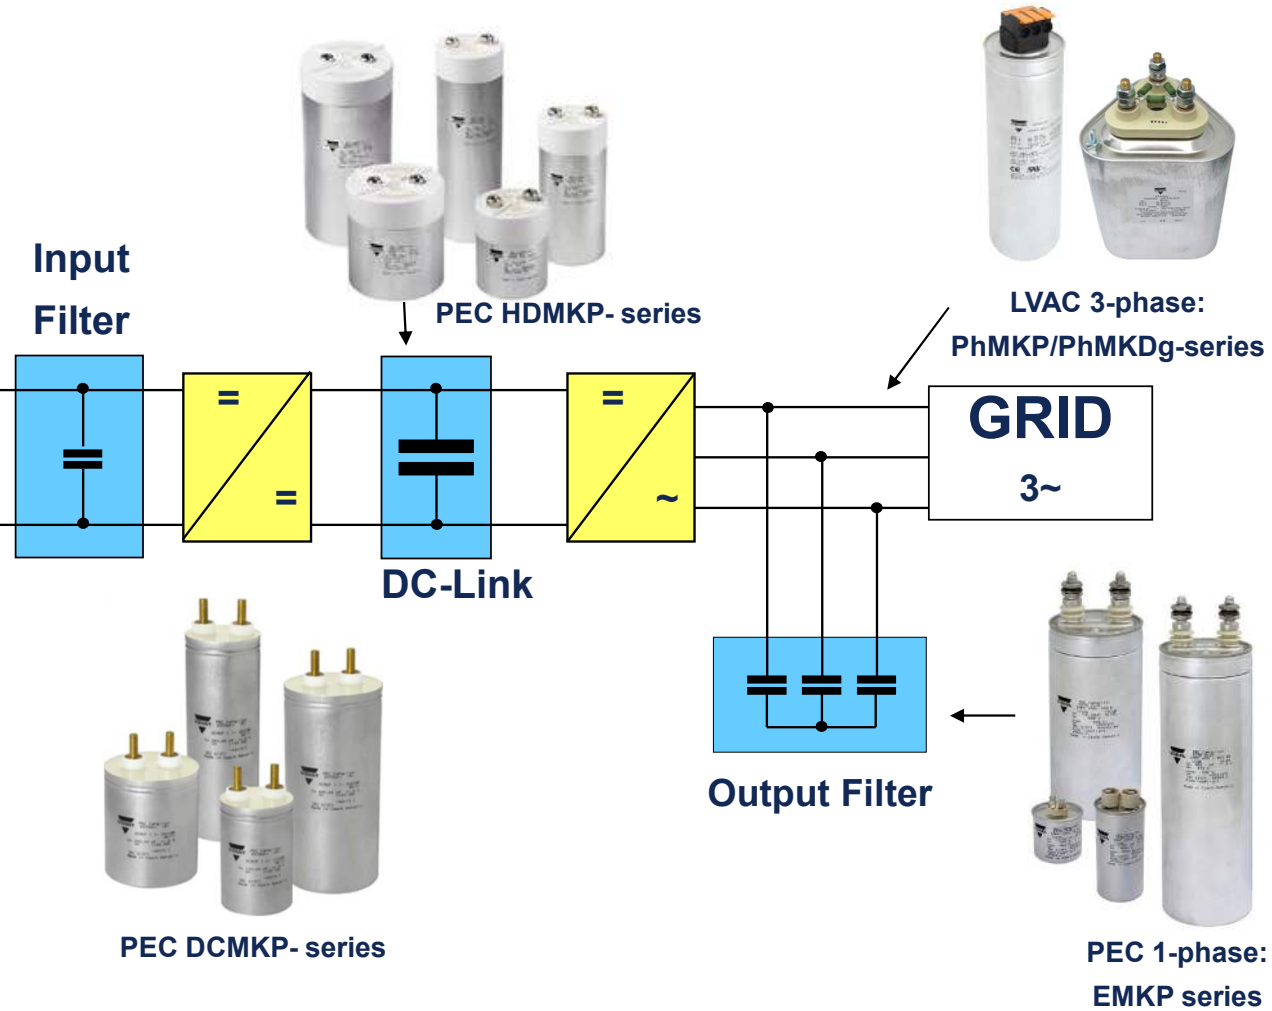

(de-) tuned Harmonic Filter

Application Filter Wind Turbines

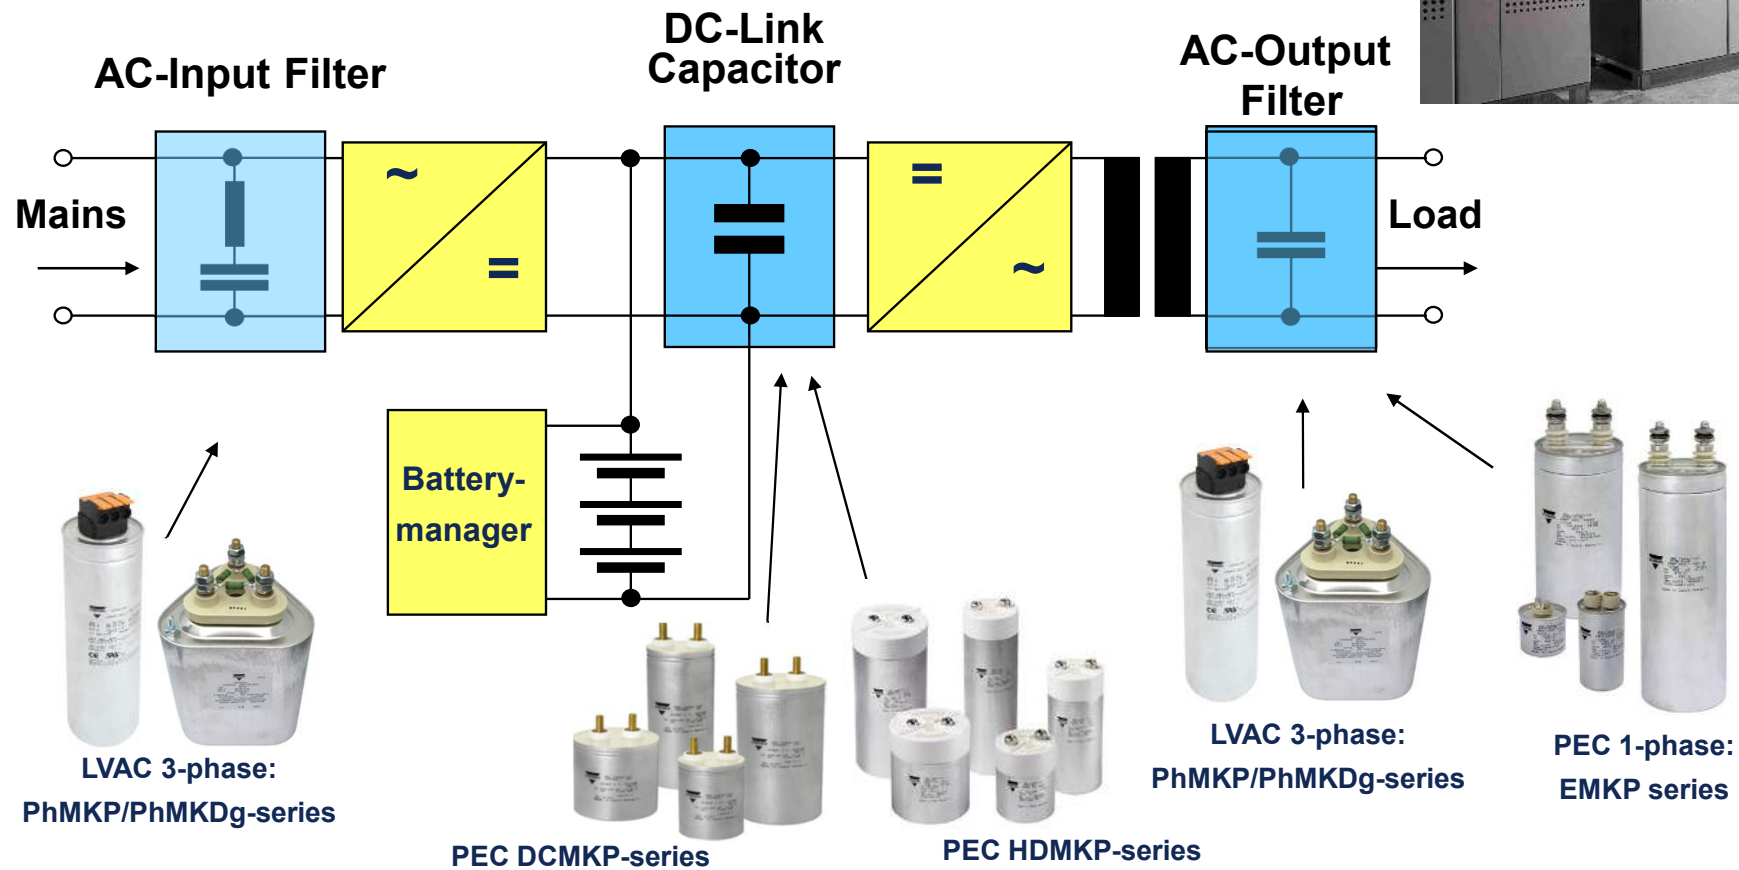

Filters (3-phase) in Converters
used for Synchronous (SM) and
double-fed Asynchronous (DASM) Generators

Application PV (for Central Inverters)

Application: Uninterruptible Power Supply (UPS)

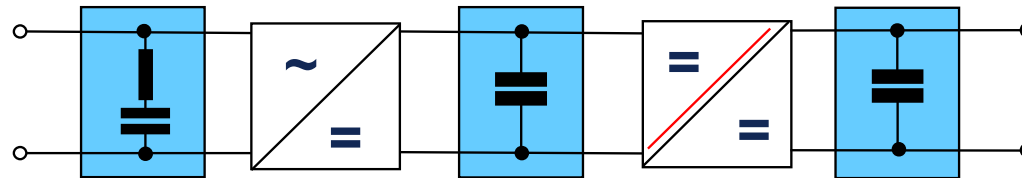

POWER ELECTRONIC CAPACITORS

Application: Vehicle charger

AC-Input Filter DC-Link Capacitor DC-Output Filter
