

# AFH series: Vinda Professional

Product Code: **VSC2386**

## Facial Tissue Cube Box 2ply

- 80 sheets/pack
- 100 packs/carton
- Sheet size: 190mm x 195mm 2ply
- 100% Virgin Wood Pulp
- High-Temp Treated
- No Fluorescent Additives

### Product Overview

This facial tissue cube box is made from 100% virgin wood pulp, providing a hygienic, soft, and strong tissue solution for professional environments. The 2-ply construction offers enhanced strength and absorbency, delivering reliable performance for daily use. Each sheet is high-temperature treated for improved hygiene and contains no fluorescent additives, making it safe and comfortable for skin contact. Designed with edge bounding to improve durability.
