

# XL 3-DRAWER TOOL BOX | TB-B1-D-70-3

The ToughBuilt® StackTech® XL 3-Drawer Tool Box is a must-have for Pros to build a system unlike any other and customise it to the needs of every trade.

The StackTech XL 3-Drawer Tool Box features an intuitive self-aligning top that allows StackTech tool boxes and organisers to virtually stack themselves. An auto-locking interface ensures boxes sit securely, lock into place for transport, and easily unlock with a slide of the switch. A prominent lock indicator lets you know your Stack is safe to move without second guessing. Accessing tools without unstacking is simple and intuitive with 3 self-latching drawers. Inside, you'll find a set of dividers for each drawer (22 dividers total) to help Pros stay organised and partition their space. Full customisation is at Pros fingertips with tool-free, quick-release steel accessory rails. StackTech 3-Drawer Tool Box is built for high-impact durability with armored corners and steel ball-bearing slides to ensure it can handle the toughest conditions. It is designed to support up to 22 kg of evenly distributed weight.

**22KG**

## FAST STACKING WITH SELF-ALIGNING NESTING TOOL BOXES

## AUTO LATCHING DRAWERS WITH STEEL BALL-BEARING SLIDES

## ACCESSORY ATTACHMENT FOR A FULLY CUSTOMISABLE SOLUTION
