RS PRO 15cm 5 Gbps Type C (M) to Type A (F) Cable 15W - Black

RS Stock No.: 0839402

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This cable features both a Type-A socket and a Type-C connector making it the perfect solution for converting a new Type-C socket into a Type-A socket. Perfect for plugging your USB flash-drive into a modern Ultrabook.

The new USB Type-C connector is smaller than most of the previous USB connectors. (Micro B is the exception.) It is also symmetrical; this allows you to plug the connector in either way up.

Also available in white.
