ABS post Extension Kit with 2m chain - weightable base - blue/white

An extension for premium bollards with a 2-meter chain, used to easily mark off access points, whether temporarily or permanently. The bollard comes in a kit for space-saving storage. It has a base that can be filled with water or sand for stability and is made of ABS and polypropylene. It features two rings, one with holes and the other with hooks, for hanging chains in four possible directions, as well as a threaded top for attaching information signs. It's available in various colors, and the information panels are sold separately.

Customs code	3926909790
EAN	3321360039613
