- special pliers for notching recesses into plastic ledges and plastic casings for electric and sanitary installation
- notches can be enlarged by initial and final cut

- clean cut edges - no trimming activities needed
- easy handling
- with opening spring, opening limiter and locking lever
- pliers body: special tool steel, rolled, oil-hardened

The KNIPEX Notching Pliers produces the most common notches in plastic ledges and cable ducts in a simple, fast and clean way. No time-consuming sawing out or nibbling and no additional work required.
