## Double D Wall Guard 1000L x 150W x 55H – Yellow Insert

### Feature:

*Double-D wall guard is made from durable NR/SBR rubber. It has a high-visibility yellow strip to help warn against the potential hazard. These robust and durable profiles can be used on both internal and external installations. They can be found in garages, car parks, workshops, stores for domestic, commercial or industrial applications.*

### Pre-drilled.

**Use three M12 x 100mm fixings to create a secure hold.**
