

Features

- **Universal Compatibility** – Fits and locks out almost all miniature ISO/DIN circuit breakers worldwide.
- **Secure Clamping Mechanism** – Brass pherol and internal screw provide superior grip and long-lasting hold.
- **Prevents Accidental Operation** – Clips firmly onto the circuit breaker toggle to stop switch movement.
- **Support Single & Multi-Pole MCBs** – Versatile design suitable for a wide range of breaker types.
- **Easy Installation** – Requires only a small screwdriver for tightening (not included).
- **Padlock Ready** – Features a locking point for securing with a safety padlock for complete isolation.

RS PRO Universal Miniature Circuit Breaker Lockout - Red

RS Stock No.: 0750827

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *Universal Miniature Circuit Breaker Lockout designed to securely clip around MCB toggles, preventing accidental or unauthorised operation.*
- *Compatible with virtually all ISO/DIN standard miniature circuit breakers used globally.*
- *Built with a brass pherol and internal screw to ensure enhanced grip, strength, and prolonged service life.*
- *Simple installation: position the lockout, tighten using a standard screwdriver, and apply a safety padlock (padlock sold separately).*
- *Suitable for both single-pole and multi-pole miniature circuit breakers, adding flexibility to LOTO procedures.*
- *Provides a reliable lockout method for electrical maintenance teams, improving workplace safety and compliance.*

General Specifications

Type	Circuit Breaker Lockout
Material	ABS & Metal
Colour	Red
Padlock holes	01
Package	BOPP

Mechanical Specifications

A	8mm
B	9.3mm
C	25mm
D	12mm
E	12.5mm
F	45.4mm
G	6.5mm
Weight	0.8 Grams

Operation Environment Specifications

Withstand temperature	-20 °C to +80 °C
