High-quality screwdriver with Kraftform Plus handle for a high working speed and ergonomic screwdriving without blisters and calluses. The multi-component Kraftform handle fits the shape to the hand for the ultimate in comfort and high speed torque transfer. The non-roll feature prevents any rolling away at the workplace. The Wera Mplus profile offers stronger flanks, which lead to a higher torsional strength and an extended service life of the screwdriver. With screw symbol and tip size identification markings on the handle to make it easier to find the right screwdriver in the tool case or at the workplace.
