Product Description

*This ear protector is constructed to be both durable and ultralightweight. It has broad foam cushions, high impact ABS cups (filled with sound absorbing foam) and comfort headband. Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colors for earmuffs allow a personalized choice. An updated range of earplugs complete our competitive and performing offer. Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.*
