

Previously known as: Monysoft1MI

Multi Purpose

Light Duty

Low-lint, light-duty industrial gloves, offering wearers excellent comfort and dexterity

- **Optimized usability:** HyFlex® 11-300 seamless light-duty gloves boast a textile liner, featuring a polyamide thread with high elasticity, for an optimal fit and high levels of comfort and dexterity
- **Assured practicality and durability:** Their ambidextrous design makes these hand protection gloves all the more convenient to don and remove, while extending wear life
- **Augmented dexterity:** HyFlex® 11-300 safety gloves are also low-linting by design, reducing contamination risks and safeguarding product integrity

Applications

- Final assembly
- General handling
- Packaging

Previously known as: Monysoft1MI

Key Features

- **Liner with high-elasticity polyamide:** Great fit, dexterity and comfort
- **Ambidextrous design:** Increased wear life and everyday practicality
- **Low-linting fabric:** Fewer contamination risks, for product protection
