Product Description

RS PRO 19 in. Steel Server Cabinet Blanking Panels

Introducing the excellent quality Front Server Rack Cabinet Blanking Panels from RS PRO. These 19" cabinet blanking panels are ideal for keeping your cabinet neat, tidy and working efficiently by blanking off any unused space. When used in an environment with servers, they will help stop front to back air movement within the cabinet, protecting your servers from warm air from the rear of the cabinet. All models are highly reliable and excellent quality.
