

FEATURES

- Waterproof with sealed for life electronics
- EMC approved (ECE R10)
- 3x LED light ensuring maximum reliability and minimum maintenance
- Waterproof
- Steady on function

RS PRO Amber LED Light Module, 12 V dc, 24 V dc, Flashing, Surface Mount, Wall Mount

RS Stock No.: 907-5955

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Designed for simple surface mounting these LED Warning Lights Modules from our own RS PRO brand provide an impressive wide angle light output along with a working life in excess of 50,000 hours. A range of dual voltage that are compatible with both 12V and 24V power systems and combine low power consumption with multiple flash patterns.

General Specifications

Lens	Polycarbonate
Bulb Type	LED
Light Effect	Flashing
Lens Colour	Amber
Housing Colour	Black
Lamp Include	Yes
Multifunction	Yes
Number of flash patterns	12
Number of LED	3
Special Features	EMC Approved, Multiple Units Can be Linked for Synchronised/Alternate Flash

Electrical Specifications

Supply Voltage	12VDC ,24VDC
Current Type	DC
Current Consumption	12V to 350mA

Mechanical Specifications

Dimensions	99 (w) x 41 (d) x 35mm (h)
Base Length	105mm
Base Width	38mm
Mounting Style	Surface Mount, Wall Mount
Weight	0.1kg

Protection Category

IP Rating	IP 67
