RS Pro Vacuum Bag x1 for 685-471 Vacuum Cleaner

Product Details

Compact Engineers Vacuum Cleaner

A compact, mains powered service engineers' vacuum cleaner designed for 220/240V a.c. operation and manufactured to British and German standards. The powerful 700W motor makes this cleaner ideal for servicing copiers and other office equipment. Supplied complete with hose, crevice tool, rubber flexible hose and flexible tube with brush attachment. A pack of 10 yellow filter bags (stock no. 685-487) and a secondary cloth filter bag (stock no. 685-493) are available separately.
