RS PRO Steel Storage Bin Storage Container, 1067mm x 857mm, Grey

RS Stock No.: 303-4618

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This steel storage container is a practical solution to keep your workshop or garage space looking tidy and organised, even where space is limited. Pigeon-hole type compartments with a fully hemmed lip design let you grab what you need at a glance, without the threat of accidental spills or drops. Each compartment is 12-inches deep and features a 45° sloped front for easy access to parts. Extra care has been taken to hem the dividers in a teardrop design, to avoid sharp edges.
