

FEATURES

- **2:1 Shrink Ratio:** Allows for a tight fit over irregular shapes, enhancing protection.
- **Polyolefin Material:** Provides excellent insulation and durability.
- **Halogen-Free:** Reduces toxic emissions in case of fire, improving safety.
- **Black Colour:** Offers a professional appearance and UV resistance.
- **1 Metre Length:** Suitable for various applications, providing flexibility in use.
- **REACH and RoHS Compliant:** Ensures adherence to environmental and safety regulations.

RS PRO 2:1 Heat Shrink Tubing, Polyolefin, Black

RS Stock No: 671-574

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO heat shrink tubing is designed to provide reliable insulation and protection for electrical connections. With a shrink ratio of 2:1, it efficiently reduces in size to fit snugly around wires and components, ensuring a secure and durable seal. The tubing is ideal for use in environments where halogen-free materials are required, offering safety and compliance with industry standards.

General Specifications

Colour	Black
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	4.8 mm
Sleeve Diameter	9.5 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
