Finger Guards

RS Stock No.: 0283168

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Keep safe with these RS PRO's finger guards. Steel fan finger guards are protective devices used in conjunction with electric fans to prevent accidents or injuries caused by accidental contact with the fan blades. Our range of guards is constructed from steel, arranged in a grille-like pattern, and finished in black or nickel chrome.
