

FEATURES

- Steel clevis fasteners
- Spring clip
- M6 x 1 rod connection thread
- Ball diameter of 8mm
- Overall length of 42mm
- Overall width of 16mm
- Zinc finish for corrosion-resistant finish
- Short clevis

RS PRO Steel M8 x 1.25 Clevis, 42mm x 16mm

RS Stock No.: 312-0236

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These compact clevis fasteners feature spring clips to provide a strong hold. They're U-shaped fasteners through which a pin is inserted, allowing connected parts to rotate about the axis of the pin. As a result, clevis fasteners have many applications, from agricultural machinery to construction and aviation.
