

/ VEA-1-BK

Standalone dual-beam headlamp (with integrated battery)
 On-board additional functions, for VISARC electrician helmet

/ Standards

CE: Compliance with European directives.

/ Use

Rechargeable standalone dual-beam headlamp (with integrated battery) :

- wide beam for close distance work
- focused beam for long-distance illumination

Use **only** on VISARC helmet on which the lamp fits on.

Advantages

- Two different and optimized light beams :
 - Focused beam : long and focused beam for approach and remote area inspection
 - Wide beam : wide and close beam to illuminate the entire working area
- Ultra-bright XPG LED technology for an efficient and uniform lighting
- Lightweight and waterproof headlamp adapted to all working conditions
- Big button for easy adjustment
- Fit with your VISARC helmet, no more using adapters or headbands that don't hold
- Fully tested (dielectric, mechanic, arc-flash) with the VISARC helmet according to all its standard.

Document not contractually binding, errors and omissions excepted.

Technical sheet

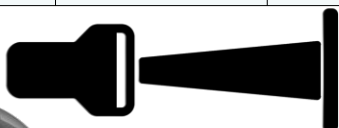

/ Technical specifications

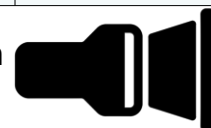

- CREE XPG-3 led technology
- 4 lamp positions depending the use : P1, P2, P3, P4
- Housing material : ABS
- Weight : 87g
- Battery technology : Lithium polymer
- Battery capacity : 2000mAh
- USB rechargeable (micro-USB)
- Battery level and in-charge dedicated indication
- Waterproof level : IP65 (fully protected against dust and water jets)
- Designed for outdoor and indoor use
- Operating temperature: -10° to + 55° C
- Humidity: 96 % max.
- Delivered with a black central crest (other color for color management available on request), a back crest, and USB charging cable

Light beam	Position	Lumens 	Angle 	Distance 	Time 
Focused beam	P1 : High	140 lm	11 °	20-30 m	4 h
Wide beam	P2 : Medium	50 lm	65°	5-10 m	25 h
	P3 : High	100 lm		10-15 m	4 h
	P4 : Low	20 lm		< 3m	50 h

Focused beam

Wide beam

REFERENCE	DESIGNATION
VEA-1-BK	Standalone dual-beam headlamp (with integrated battery) Delivered with a BLACK central crest
VEA-1-BK-W	Standalone dual-beam headlamp (with integrated battery) Delivered with a BLACK central crest + WHITE central crest
VEA-1-BK-R	Standalone dual-beam headlamp (with integrated battery) Delivered with a BLACK central crest + RED central crest
VEA-1-BK-Y	Standalone dual-beam headlamp (with integrated battery) Delivered with a BLACK central crest + YELLOW central crest
VEA-1-BK-G	Standalone dual-beam headlamp (with integrated battery) Delivered with a BLACK central crest + GREEN central crest
