Features

- **Metal Detectable** – Infused with metal powder for sensor detection.

- **FDA Compliant** – Safe for food and medical use.

- **Easy to Install** – One-piece, self-locking design.

- **Highly Visible** – Blue colour for easy identification.

RS PRO Cable Ties

RS Stock No.: 0606609

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Cable Ties

Product Description

Metal detectable cable ties are ideal for food, pharmaceutical, and hygiene-sensitive industries. Made from metal-infused Nylon 66, they are easily detected by standard sensors, reducing contamination risks. Their self-locking design ensures secure bundling, while the blue colour enhances visibility for quick inspection. FDA-compliant and easy to install, they offer a reliable safety solution.

General Specifications

Series	Metal Detectable
Type	Releasable Metal Detectable
Colour	Blue
Material	Nylon 66 with metal powder
Finish	Smooth
Application	Designed for quick installation in food and medical industries; complies with FDA standards; detectable by metal sensors
Resistant To	Not specified
UV Resistant	No
Minimum Operating Temperature	Not specified
Maximum Operating Temperature	85°C
Fire Behaviour	Self–Extinguishing
Quantity	100

Mechanical Specifications

Length	250mm
Width	4.8mm
Tensile Strength	222N

Approvals

Declarations	RoHS
Standards Met	UL
