

Features

- Made of polypropylene (PP) for enhanced chemical resistance.
- Designed for securing cables in chemical industry environments.
- Halogen-free and RoHS compliant.

RS PRO Cable Ties

RS Stock No.: 0656088

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

This cable tie is made from durable polypropylene (PP), offering excellent chemical resistance for use in demanding environments. Designed for secure bundling, it is ideal for applications in the chemical industry. Available in black and natural colours, it is halogen-free and fully RoHS compliant, ensuring safety and environmental responsibility.

General Specifications

Series	Polypropylene
Type	Non-Releasable
Colour	Black
Material	PP
Finish	Smooth
Application	Designed for quick installation and cable bundling
Resistant To	Not specified
UV Resistant	No
Minimum Operating Temperature	Not specified
Maximum Operating Temperature	Not specified
Fire Behaviour	Self-Extinguishing
Quantity	100

Mechanical Specifications

Length	250mm
Width	4.8mm
Tensile Strength	150N

Approvals

Declarations	REACH
