| Monoaural or Binaural:       | Monoaural                                      |
| Noise Cancelling Technology: | Yes  |
| Amplifier:                   | No   |
| Brand:                       | BT   |
| For use with:                | Standard Corded<br>Phones and Phone<br>Systems |

### Contents:

BT Accord 20 Headset  
Configuration switch  
Additional foam ear cushion  
Installation guide and user manual

### Application:

Helps to reduce neck, upper back and shoulder tension.

Can help increase productivity as it frees your hands whilst you are on the phone.

It is also lightweight and comfortable.

Ideal for noisy environments

- Monoaural (single ear) headset with noise-cancelling microphone to help reduce background noise in noisy environments
- Instant switching between headset and handset - Mute function for private conversations
- Telephone configuration box for universal compatibility
- Ergonomic ear cushion for comfort
- Quick disconnect allowing the user to leave a caller on hold and move away from the phone without removing the headset.

### BT Accord Range:

|                              | <b>BT Accord 10</b>                            | <b>BT Accord 20</b>                            | <b>BT Accord 30</b>                            |
