

## FEATURES

- **Nylon construction:** Offers high durability and resistance to wear and tear
- **6.5 mm shackle diameter:** Compatible with a variety of circuit breakers
- **Single lock capability:** Ensures secure isolation of electrical circuits
- **Bright yellow colour:** Enhances visibility for safety compliance
- **ISO 9001, ISO 14001, OHSMS 45001 certified:** Meets international safety and quality standards

## RS PRO Nylon Circuit Breaker Lockout, 6.5 mm Shackle

RS Stock No: 710-507

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

This RS PRO circuit breaker lockout is designed to securely isolate electrical circuits during maintenance or repair. Made from durable nylon, it ensures safety by preventing accidental re-energisation of circuits. Ideal for industrial environments, it provides a reliable solution for lockout/tagout procedures.

## General Specifications

Colour	Yellow
Number of Locks	1
Product Type	Lockout
Sub Type	Circuit Breaker Lockout

## Mechanical Specifications

Material	Nylon
Shackle Diameter	6.5 mm

## Approvals

Standards/Approvals	ISO 9001, ISO 14001, OHSMS 45001, UKAS 0043
