

Features

- Constructed from UL-approved Nylon 66 with UL94V-2 flame retardant rating.
- Extra heavy-duty design for enhanced tensile strength.
- Capable of withstanding extra heavy loads.
- Suitable for bundling large cables

RS PRO Cable Ties

RS Stock No.: 0656115

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

This heavy-duty cable tie is made from UL-approved Nylon 66, offering excellent durability and flame resistance. Designed for high-strength applications, it features a wide profile for enhanced tensile performance, ensuring secure bundling of large cables. The self-locking mechanism provides a firm grip, preventing slippage in demanding environments. Suitable for industrial and heavy-load applications, it meets RoHS compliance standards for safety and environmental responsibility.

General Specifications

| | |
|-------------------------------|--|
| Series | Extra Heavy Duty |
| Type | Non-Releaseable |
| Colour | Natural |
| Material | Nylon 66 |
| Finish | Smooth |
| Application | Designed for quick installation and bundling of cables |
| Resistant To | Not specified |
| UV Resistant | No |
| Minimum Operating Temperature | Not specified |
| Maximum Operating Temperature | Not specified |
| Fire Behaviour | Self-Extinguishing |
| Quantity | 100 |

Mechanical Specifications

| | |
|------------------|--------|
| Length | 1530mm |
| Width | 12.7mm |
| Tensile Strength | 1112N |
