Fan Filters

RS Stock No.: 0283178

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Keep your axial fans safe from dust, dirt and contaminants with these RS PRO Fan Filters. This complete unit comprises a guard, filter and retainer which attaches to the fan via a snap-in fit. The guard and retainer is constructed from high-quality reinforced ABS and is designed to protect the fan from any internal damage. With RS PRO, you can be sure you are getting quality protection for your dual-bearing axial fans!
