

Features

- **Sturdy Backplate** – Provides secure, permanent installation for lasting protection.
- **Replaceable Front Plates** – Extends product lifespan with easy maintenance.
- **Size Options** – Available in two lengths and depths, with 160mm for higher impact forces.

RS PRO 3 Part Dock Bumper 760mm Length x 275mm Width x 165mm Height UHMWPE

Vendor Partcode.: 0688184

RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.

Product Description IBUTE

RS PRO Three-Part Dock Bumper is expertly designed to safeguard vehicles and structures in high-traffic areas, ensuring long-lasting protection against heavy impacts. Built for industrial and commercial applications, this bumper set features a sturdy backplate for permanent installation, while its replaceable front plates extend lifespan without requiring full replacement.

Superior Materials for Maximum Performance

Constructed from high molecular weight polyurethane, the front plates provide exceptional durability, ensuring resilience in demanding environments. The low coefficient of friction facilitates smooth interactions between vehicles and dock surfaces, minimizing wear and tear over time.

Specifications

Material	UHMWPE
Colour	Yellow
Length	760mm
Width	275mm
Height	165mm
Hardness	78ShA
Weight (Kg)	46
