

Tilt Storage Unit, 6 Drawer

Tilt Drawer Units

A versatile modular storage system consisting of a range of six different modular drawer storage units, 600 mm wide, which can be self-stacked or mounted on wall frames, refer to **RS Stock no. 519-374**

- > Ideal display/storage system for small and medium size parts.
- > Excellent space utilisation, accessibility, flexibility and visibility
- > The drawer units are moulded in polypropylene and the clear containers are manufactured from polyester resin and polypropylene.
- > Each container is capable of being used individually and tilt open to 45° to gain access to stored products.
- > Suitable for food stuffs
- > The containers can be removed from the drawer units and located in other units of the same size or used as individual containers.
- > Supplied with identification labels.
