

3-Piece Pliers Set

COMPRENANT:

- 1 locking twin slip-joint multigrip plier: 181A.25CPE.
- 1 mech diagonal cutting plier 160mm: 192A.16CPE.
- 1 half-rond straight nose plier 200mm: 185A.20CPE.

-  Chrome plating provides maximum corrosion resistance
-  Sculptured upper section with finger-guard provides a natural fit between index finger and thumb to aid grip
-  Bi-material grips resistant to industrial, automotive and aerospace chemicals (incl. Skydrol, chloroethane, acetone, petrol, etc.)
-  Enhanced spring return system reduces total user effort and strain
-  Wide lower section to increase contact with the plier aiding both grip, biometrics and comfort
-  Tether ready connection for use with Facom SLS and other safety systems
-  Manufactured in France
