

FEATURES

- **4:1 shrink ratio:** Provides a tight fit over irregular shapes and sizes
- **Halogen-free:** Reduces toxic emissions in case of fire, enhancing safety
- **Polyolefin material:** Offers excellent insulation and durability
- **Available in green and yellow:** Provides colour coding options for easy identification
- **1 mm shrunk diameter:** Ensures a compact and secure fit
- **1 m sleeve length:** Suitable for long cable runs

RS PRO 4:1 Heat Shrink Tubing, Polyolefin Material

RS Stock No: 671-565

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO heat shrink tubing is designed for insulating and protecting electrical connections. With a 4:1 shrink ratio, it offers excellent adaptability to various cable sizes, ensuring a snug fit. Made from halogen-free polyolefin, it is both environmentally friendly and compliant with REACH and RoHS standards.
