## RS PRO Polyethylene 40 litre Spill Tray c/w grate

RS Stock No.: 893-0378

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

*RS PRO 40 litres spill tray is made of 100% recyclable polyethylene. The anti-slip grate can be easily removed for cleaning and maintenance. The trays are typically used for storage of small to medium size containers. Any overspill during dispensing or decanting can be easily captured and contained by the 40 litres capacity sump.*

## General Specifications
