

STANLEY

STANLEY FATMAX® Dual Access Bag

FMST1-73607

Features:

- Dual sided opening storage space for tools, hand tools and accessories
- Free standing rigid structure
- Reinforced plastic base protects from water and dirt
- Multiple pockets for easy and convenient organisation of tools

Description:

The STANLEY FATMAX® Dual Access Bag is made of durable materials for internal protection against tool damage. The reinforced plastic base protects against dirt and moisture. The ergonomic padded shoulder strap and rubber grip handle allows for easier carrying of heavier loads. The dual sided design with tool compartments and multiple pockets provides a quick and convenient storage solution.
