## RS PRO Dock Bumper, Rectangular, TyreCORD Hi-Fibre

RS Stock No: 688-193

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO Dock Bumper is designed to provide robust protection for loading docks and vehicles during loading and unloading operations. Made from durable Tyrecord Hi-Fibre material, it ensures long-lasting performance and resistance to wear and tear. Its rectangular shape offers optimal coverage and impact absorption, safeguarding both infrastructure and vehicles.
