RS PRO Thread Repair Insert

RS Stock No.: 0765543

No photo

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *Thread inserts are used to repair defect threads and return the newly thread back to the original size.*
- *The inserts are used in alloys, light materials, steel and cast iron to increase the strength of the thread in these weaker materials.*
- *The inserts are used with the HSS drill, HSS tap, installation tool and hammer to repair the damaged thread.*
- *The inserts are available in lightweight and heavyweight versions.*
