## Swivels to Suit Your Ceiling

The dual-display mount accommodates a wide variety of ceiling types. Swivel the ceiling TV mount to work with virtually any type of ceiling for level viewing, including sloped ceilings (up to 60 degrees) or horizontal (flat) ceilings.

## Simple Setup and Cable Management

The ceiling mount provides a hook-and-mount design for easy setup. The wire-management channels keep cables concealed. The +/-3 degree post-installation leveling adjustments ensure ideal positioning after hanging.
