RS PRO VDE Slotted; Pozidriv; Superdriv Screwdriver Set 6 Piece

RS Stock No.: 623-6463

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this six piece insulated screwdriver set is ideal for professionals and enthusiasts alike. The screwdrivers are insulated to VDE standards, which means they are ideal for repair, service technicians and engineers working near electrically energised systems up to 1000 V ac or 1500 V dc.
