DESCRIPTION OF CHANGE:

In order to better comply with industry standards, Würth Elektronik eiSos is improving the technical drawing to match with required SD card standard thickness. To improve quality control, the packaging of the affected part number will be changed from opaque to transparent in order to facilitate automated check.

There will be no change in form, fit, function, quality or reliability of the product.

The new revision of the affected part number will be sent out after the previous revision is out of stock (according to FIFO - first-in, first-out).

The preliminary datasheets of the affected part numbers will be available on the website after the PCN date.
