

Features

- **Instant Magnetic Mounting** – Easily attaches to any metallic surface without tools or adhesives.
- **Clear Dual Warning Message** – Displays “CAUTION: EQUIPMENT LOCKED OUT” and “DO NOT OPERATE” prominently.
- **Highly Visible Design** – Uses yellow and red color zones with safety icons to grab attention.
- **Reusable and Relocatable** – Designed for repeated use without damage or residue.
- **No Drilling or Tapes Required** – Simplifies installation and prevents surface damage.
- **Durable Build** – Crafted from high-grade materials to withstand industrial conditions.

RS PRO Magnetic Caution Sign

RS Stock No.: 0694384

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *The Magnetic Caution Sign offers a fast and effective method to communicate safety warnings directly at lockout points.*
- *Designed with strong embedded magnets to securely hold the sign on metallic panels, doors, or equipment surfaces.*
- *Displays a bold caution message: “CAUTION: EQUIPMENT LOCKED OUT” and “DO NOT OPERATE,” reducing the risk of accidental energising.*
- *Features striking yellow and red colour zones along with universal symbols for maximum visual impact.*
- *Eliminates the need for adhesive tapes or tools—no surface damage, no hassle.*
- *Reusable and durable, ideal for routine maintenance, servicing, and lockout/tagout operations in demanding environments.*
