Complete CAT 6 system for Network Cable Organizer – DK 7044.140

created: 26.04.2021 build on www.rittal.com/uk-en

Product description

Description:	Modern network infrastructures rely on maximum performance and the greatest possible flexibility in cabling. A useful component here is the Network Cable Organizer (NCO). The robust 1 U mounting frame is pre-configured with 24 cable cassettes and revolutionises conventional structured cabling with 8 times faster installation.
Benefits:	Minimise cable chaos – Prevent obstructions to the air circulation in the vicinity of network switches Always the right length: Surplus cable lengths – whether CAT 6 or fibre-optic – are simply withdrawn with a spring balancer Every cable is 100% tested and supplied with a corresponding measurement record Front access – Ideal for retrofitting into racks with a depth of 800 mm or more
Applications:	For use in all network racks from a depth of 800 mm.
Function principle:	Attachment to the front and rear 482.6 mm (19") level
Material:	Mounting frame: Sheet steel Cassettes: Stainless steel, plastic (POM)
