

# Cubify Invent

## Easy to use tool for 3D creation

Our easiest to use tool for 3D creation. Whether you want to make a friendship bracelet for your best friend or a bird mansion for your feathered friends, Cubify Invent has the tools.

### **Think it. Draw it. Make it.**

You don't need to be a professional CAD user. The easy to use interface will help you become a professional modeler in no time.

### **Made for the Cube**

Happy with your creation? Get ready to send it to the Cube. Models are print ready when you are.

### **Easy to learn**

Each video is crafted to help you get the most out of Cubify Invent without spending too much time learning the process.
