

KM150 EQ Wireless Desktop Set

The KM150 EQ Wireless Desktop Set is a value-for-money keyboard and mouse set featuring 63% post-consumer recycled (PCR) plastic.* Windows and macOS compatible, it delivers reliable wireless connectivity via a 2.4GHz connection with government-grade AES 128-bit encryption. The full size ANSI/ISO keyboard includes a numeric keypad and provides convenient LED indicators for battery-life, num lock, and caps lock. A spill-proof design protects the keyboard electronics from accidental spills from coffee, water, and other liquids. The quiet-click mouse is significantly quieter than a standard mouse, reducing noise in busy workplaces. Wipe down protection certified. Includes 3-year limited warranty. *Excludes printed circuit board (PCB) assembly, 2.4GHz dongle and dry batteries
