

Magnetic racking strip / bay markers

- Sticks to all steel racking
- Dry wipe surface – write on / wipe off
- Use with our dry-wipe white board pens and erasers

You can write on and wipe off easily on this material with a dry wipe white board pen and eraser.

They are very popular for use in warehouses as racking strip magnetic labels. Simply cut to length, let them magnetically attract to the mild steel racking and then write on your label details as required. They are a fast and cost effective method for identifying product codes, stock level information, dates, quarantine information, delivery details, etc.
