RS PRO Heavy Duty 10-Padlock Cabinet

RS Stock No.: 0765336

Features

- **Heavy-Gauge Steel Construction:** Built from robust steel with a powder coating finish for enhanced durability and corrosion resistance.
- **Deep Cabinet Body with Staggered Hooks:** Provides ample space for padlocks to hang freely without overlapping, ensuring easy retrieval.
- **High-Security Cam Lock:** Equipped with a reliable locking mechanism and supplied with two keys for controlled access.
- **Tight-Fit Door Design:** Enhances security by reducing the possibility of forced entry or tampering.
- **Compact, Wall-Mountable Body:** Slim design with pre-drilled holes for simple installation in any facility.
- **Complete Organisational Accessories:** Includes index control sheets for tracking padlock assignments and mounting hardware for easy setup.

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

- *Designed to provide a secure, organised, and efficient storage system for padlocks in industrial, commercial, and institutional facilities.*
- *Built from heavy-gauge steel and finished with a durable, Ivory powder coating for long-term protection against wear, corrosion, and daily industrial use.*
- *Features a deep cabinet body with staggered hook arrangements that allow padlocks to hang freely without tangling or overlapping, improving accessibility.*
- *Equipped with adjustable, numbered, and colour-coded hook bars to customise storage layouts for different lock types, sizes, and high-volume lock management needs.*
- *Ensures controlled access through a high-security Cam lock, supplied with two keys for user convenience.*
- *Tight-fit door construction enhances security by reducing the risk of tampering or forced entry.*
- *Compact, wall-mountable design with pre-drilled holes allows easy installation while optimising workspace efficiency.*
- *Each cabinet includes an index control sheet for recording padlock IDs and complete mounting hardware for immediate setup.*
