

## CX 300-II Precision

Article No. 502737

### General Description

Offering a powerful, bass-driven stereo sound with greater clarity and improved dynamics are the CX 300-II Precision Black ear-canal phones. The various sizes of ear adapters (S/M/L sizes) provided in the package allow for a personalised fit as well as a high passive attenuation of ambient noise. Also, the asymmetrical cable design ensures a high wearing comfort as you listen on the go.

### Features

- High-quality dynamic speaker systems for powerful, bass-driven stereo sound
- Excellent fit in the ear canals and high attenuation of ambient noise (ear adapters in different sizes included)
- Convenient carrying pouch included
- Optimised for MP3, iPod, iPhone, CD players and portable gaming systems (iPod and iPhone are trademarks of Apple Inc. registered in the U.S. and other countries)
- Asymmetrical cable
- 2-year warranty

### Delivery Includes

- CX 300-II ear-canal phones
- Ear adapter set (S/M/L)
- Carrying pouch
